

# LMS Women in Mathematics Day 24 March 2021

**CALL FOR POSTER SUBMISSIONS**

**Poster Submission Deadline**  
**18 March 2021 4pm**

## **SPEAKERS:**

**Karin Baur** (University of Graz and University of Leeds)

**Shirley Coleman** (Newcastle University)

**Victoria Hoskins** (Radboud University)

**Sarah Littler** (Select Statistical Services)

**Christiane Rousseau** (Université de Montréal)

**Ulrike Tillmann FRS** (University of Oxford)

This one-day virtual event aims to promote careers in mathematics for women. Attendance is open to mathematicians of all genders and backgrounds. The event should be of interest to undergraduate and postgraduate students as well as mathematicians at any stage of their career. As part of the event, there will be a poster competition open to female mathematicians with a £100 prize for the best poster at undergraduate, graduate, and early career level.

**Registration is free. For more details please visit:**
